RE: Letter of Intent – Exemption 18995 (Docket Number FAA-2021-0706)

To Whom it May Concern:

Avelo Airlines, Inc. intends to exercise the relief from the requirement to carry the required number of ammonia inhalants in each first-aid kit referenced in 14 CFR § 121.803(c)(1) and Appendix A, granted by Exemption 18995 – Docket Number FAA-2021-0706.

This letter fulfills the requirements of Conditions and Limitations 1 of the exemption. Furthermore, Avelo Airlines, Inc. will comply with all other conditions and limitations listed in Exemption 18995.

Sincerely,

A handwritten signature in black ink, appearing to read "Douglas Brady".

Captain Douglas Brady
Flight Operations, Avelo Airlines
